

POST-APPOINTMENT INFORMATION LASER HAIR

To ensure you get the very best results following your treatment, we recommend following the guidance below in the days after your appointment.

- **KeraFactor is non-drying**, has a neutral pH and is designed to maintain patient comfort throughout treatment.
- **Allow the hair and scalp to dry naturally following treatment.** Once completely dry, you may return to your normal activities, including the use of hair care and styling products.
- **Leave KeraFactor in the hair** until the following day before washing.
- **Hair colouring should be avoided** for 48 hours following treatment.
- If you experience any of the following, please contact the clinic as soon as possible:
 - Burning sensation
 - Excessive swelling
 - Signs of infection
